"We Another edition of the news
rolls around and we find that every
thing is progressing very well on the
battle-front as well as the home-front.
Things are beginning to clear up and I
hope by the end of this year that
the cloud of War disappears.

Where ever you are and what
ever you are doing I am with you
a 100% because I know that you are
doing your best. If you keep the
flame of brother-hood, that was kindled
at Howard, going I know that the
Promethians will forever send forth its their
light giving hope and guidance to all
that are by the wayside. Each night I
say a prayer that we may continue to
do our good work.

For those who have given the
supreme sacrifice we should all say a pray
that their loss was not in vain.

The treasury is building up gradually
which is an indication that we are all
still one, no matter where we are. Keep up
the good work and continue to look out
for our futures. Remember that our future
is the future of America tomorrow.

If you know of some one that
think has been over-looked be sure and
contact him or ~~us~~ the promoters at
Washington. Keep the ball rolling
and be sure and stay on the top.

In conclusion I want to thank
you all for your enthusiasm and cooperation.
Keep God bless you all and may he see us
all safely through this crisis. Remember our
date in Washington so don't let us down

Yours,
J. H. Hoven
